Invited Paper

“Gaia and Atlantis: From the deep roots of the bronze age to the scientific era” 21
S. B. Pavlides

Athens and Atlantis in Timaeos and Critias from the stand point of philosophy, philology and history

The myth of Atlantis and Plato’s intentions 33
T. Parisaki

The Four Main Questions of the Platonic Logical Myth of Atlantis 43
Part I: Has there really been the so called “Island of Atlantis”?
If it has existed, where has it been located?
E. P. Mitropetrou

The Four Main Questions of the Platonic Logical Myth of Atlantis Part II:
Why Plato presents this myth as a preamble to the logical Myth of Timaeus
on the creation of the world? Which was the effect of the Atlantis Myth
on subsequent researchers?
E. P. Mitropetrou

Plato and the seismic catastrophe in the 12th century B.C. Athens 73
St. P. Papamarinopoulos

The truth status of Plato's Atlantic tale part I: The greatest Athenian deed of all time. <i>L. J. Bergman</i>	89
The truth status of Plato's Atlantic tale part II: Parallels in Greek tradition. <i>L. J. Bergman</i>	103
The truth status of Plato's Atlantic tale part III: The basis behind the deed <i>L. J. Bergman</i>	119
The Truth status of Plato's Atlantic tale part IV: Its Egyptian origin. <i>L. J. Bergman</i>	137
The Atlantic pelagos <i>St. P. Papamarinopoulos, Chara Cosseyan</i>	151
The Importance of Herodotus' histories for the Atlantis problem <i>T. C. Franke</i>	161
King Italos = King Atlas of Atlantis? A contribution to the Sea Peoples hypothesis <i>T. C. Franke</i>	169
Comets, earthquakes, prehistoric coast lines and floods	
Testing Plato's Statements of Prehistoric Catastrophes at Eleusis's Gulf <i>A. Stamou</i>	183
Testing Plato's geomorphological statements for ancient Greece <i>A. Chalari, St. P. Papamarinopoulos, G. Ferentinos, M. Geraga, G. Papatheodorou</i>	199
Flooding of the North Evia Gulf pre-historic lake and a possible meteorite impact in Late Pleistocene - Early Holocene <i>D. Sakellariou, G. Rousakis, V. Kapsimalis, P. Georgiou, E. Gaitani, A. Mallios and V. Lykousis</i>	209

Atlantis in the Mediterranean Sea

Crete Thera Atlantis: “culture” and writing <i>G. M. Facchetti, M. Negri and E. Notti</i>	223
Rethinking Atlantis 1 Three Events that Shaped the Legend: The sinking of an island, the attacks against Egypt, the creation of a multiple ring structure <i>A. N. Kontaratos</i>	237
Rethinking Atlantis 2 Atlantis and the American Connection, Prehistoric voyages in America <i>A. N. Kontaratos, M. Papadopoulos, M. Papadopoulou St. P. Papamarinopoulos, P. Mitropetros, E. Mitropetrou, P. Mitskidou</i>	255
Rethinking Atlantis 3, Explaining Atlantis through the Application of Search Criteria <i>A. N. Kontaratos</i>	269
The Thera Volcano at the transition between the Cycladic thrust belt and the stretched continental crust of the Cretan sea <i>J. Makris, J. Papoulia</i>	281
The search for lost Atlantis in the marine region westwards of Santorini island - Program Atlantis 2003 - Preliminary results <i>A. Mitrousis</i>	291
Land and Marine Calendrical Systems of Prehistoric Crete Part I: The Minoan calendrical abacus <i>Panagiotes D. Gregoriades</i>	307
Land and Marine Calendrical Systems of Prehistoric Crete Part II: The Phaistos' Disk signs <i>Panagiotes D. Gregoriades</i>	319

Land and Marine Calendrical Systems of Prehistoric Crete Part III: Astronomical interpretation of the Phaistos' disc signs <i>P. D. Gregoriades</i>	333
About 5600 years ago... <i>R. Vieni</i>	347
 Atlantis in Europe	
Late Quaternary Paleogeography of the Pannonian Basin, the Key to Locate the Atlantis in the Middle Danube Depression <i>M. Ticleanu, P. Constantin and R. Nicolescu</i>	365
 Atlantis in Africa	
Atlantis in Mauritania <i>G. Sarantitis</i>	385
The true position of the Pillars of Heracles. <i>G. Sarantitis</i>	403
The true dimensions and shape of Libya, of Asia and Atlantis <i>G. Sarantitis</i>	419
Circumstantial evidence for Plato's Island Atlantis in the Souss-Massa plain in today's South-Morocco <i>M. Huebner</i>	437
Evidence for a Large Prehistoric Settlement in a Caldera-Like Geomorphologic Structure in Southwest Morocco <i>M. Huebner, S. Huebner</i>	455
A Focus on the Geologic Sciences Related to Atlantis - Bakhu <i>G. J. Wells</i>	471

Plato's atlantida nesos as the “Island of Meroe” Part I : The reason why Egyptians were so friendly with the Greek Solon... <i>Thérèse Ghembaza</i>	487
Plato's atlantida nesos as the “Island of Meroe” Part II : Meroe the ancient metropolis of Kush <i>T. Ghembaza</i>	503
Plato's atlantida nesos as the “Island of Meroe” Part III : Consistency of the “Island of Meroe” with Atlas' kingdom <i>T. Ghembaza</i>	515
Atlantis in the Atlantic Ocean	
Atlantis in Southern Spain - a realistic hypothesis <i>W. Wickboldt</i>	531
A new map for the lost Atlantis - The sinking of Atlantis: The aftermath of two destruction stages <i>T. V. Paschos</i>	543
Atlantis in the Americas	
Atlantis: Lost Kingdom of the Andes <i>J. M. Allen</i>	559
Atlantis: Lost Kingdom of the Andes, Part II <i>J. M. Allen</i>	577
Atlantis: Lost Kingdom of the Andes, Part III <i>J. M. Allen</i>	591

Atlantis - A location in Middle America 605
J. C. Teeluck

A hidden calendar in the Atlantis story 619
A. Pliakos

A compass to Atlantis' complexities

The Atlantis Research Charter: A defined position in the colourful world of 637
Atlantis research
T. C. Franke, U. Hofmann, U. Richter, C. M. Schoppe, S. G. Schoppe

General Themes

Plato's Unfinished Trilogy (Timaeus,Critias,Hermocrates). Part I: mythological 647
traditions and archaeological data. A cross-curricular approach
F. Tsakopoulos

Plato's Unfinished Trilogy (Timaeus,Critias, Hermocrates). 661
Part II: from the closer Mediterranean space to the farther and farthest west.
A cross-curricular approach
F. Tsakopoulos

Copper and tin bronze in the bronze and iron ages in the western 673
mediterranean: The iberian peninsula
S. Rovira

A Mediterranean Bronze Age trading centre in Southeast Sweden 685
N. A. Mörner, B. Lind

The Achaeans' coming to Africa and the island of Pharos 701
A. Chalari, St. P. Papamarinopoulos, G. Papatheodorou and G. Ferentinos

Nicotine and cocaine in man and nature made Egyptian mummies <i>St. P. Papamarinopoulos</i>	715
The strange and undocumented discoveries of Antarctica and South america: Part I, a historic enigma <i>J. G. Weihaupt, St. P. Papamarinopoulos</i>	727
The strange and undocumented discoveries of Anatarctica and South America: Part II, the evidence <i>J. G. Weihaupt, St. P. Papamarinopoulos</i>	739
Epilogue	747
